Date: September 21, 2026

To,

**The Executive Engineer / Assistant Engineer,**  
Public Health Engineering Department (PHED) /  
The Health Officer, Municipal Corporation / Council,  
Prayagraj, UP

**Subject: Request for inspection and issuance of "Safe Drinking Water and Sanitary Condition Certificate" for CBSE affiliation purposes**

Respected Sir/Madam,

I am writing on behalf of **Laurels International School**, located at Sarangapur, Near Power Grid Corporation, Rewa Road, PO Dandupur, Prayagraj-212111, which is affiliated / seeking affiliation with the Central Board of Secondary Education (CBSE).

As per the CBSE Affiliation Bye-Laws (Appendix-XIII), schools are required to submit a "*Safe Drinking Water and Sanitary Condition Certificate*", to be issued by an officer not below the rank of Assistant Engineer of the Public Health Engineering Department, or an authorized officer of the local municipal body, accompanied by a water test report from an authorized laboratory, as part of the mandatory documentation for affiliation / extension of affiliation / upgradation.

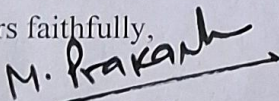

In this regard, I kindly request you to depute an inspection team to visit our school premises at your earliest convenience, to inspect the drinking water facilities and sanitation conditions of the school, and thereafter issue the requisite certificate in the prescribed CBSE proforma (copy enclosed for your ready reference).

We would be grateful if the inspection could be scheduled at the earliest, as the certificate is required urgently for submission to CBSE within the stipulated deadline. We assure our full cooperation and will provide any additional information, access, or documentation required to facilitate the inspection.

Kindly treat this request as urgent, and do the needful at the earliest.

Thanking you,

Yours faithfully,

**Mridula Prakash**  
Principal,  
Laurels International School  
Prayagraj-212111
